CGHS Musical 2017

LIL' MS ADVENTURE is a vibrant musical which follows the adventures of a group of school girls as they are lost in the Australian bush. They have to bond together and demonstrate their ability to work as a team in order to find their way out of the bush. Throughout the course of their adventure they learn something about themselves and the differences between the 'types' you find in any school. Ultimately they learn the differences are largely only surface deep and it is the commonalities which are far more relevant.
