Welcome to your Academic Software Download Centre!

All NSW Department of Education and Communities School students are eligible to download and licence Adobe and Microsoft software from this website.

This software is only available to download onto personally owned devices.

Students will need to use their @education.nsw.gov.au student email address to register on their first visit. To register, click on the "Sign In" link at the top of the page and then click on the REGISTER button. A verification email will be sent to your DEC email address. To complete the registration please select the link provided in the email.

Note: Individual students are eligible for one download per application only.

[**Download Software**]

9) Return to the Hub website and click on the Microsoft or Adobe tabs.

Office Professional Plus 2016 ▲

Microsoft Office 2016 helps you to do your best work – anytime, anywhere and with anyone. New, modern versions of the desktop applications, Word, Excel, PowerPoint, Outlook, and OneNote, are built for maximum productivity. You'll quickly produce professional documents with powerful authoring features, design controls for pixel-perfect layouts and new built-in Excel tools help you get more out of your data, faster and easier. You'll have access to your docs in the cloud whenever you need them. And with your documents stored online, it's easy to get your team on the same page. Just share, present and work together on projects with built-in team collaboration tools across the suite.

Please ensure that you have chosen the correct product and read all system requirements before you place your order.

Due to the nature of the agreement your institution signed with Adobe, the license to use Adobe Products will expire of **September 1, 2016**. Provided the arrangement is still valid and it has been at least one year since Adobe released a new version of the product, users can come back into the system and receive a new serial number at or prior to **September 1, 2016**.

Note: If you purchased this product before June 5, 2015 it will expire of **June 1, 2016**

Note: The Adobe Licences are only valid until the date stated in the conditions after which a new product or licence may be issued.

1. **Grant of license.** Licensor hereby grants student the right to run one copy of the version number and language of the software identified below which student has installed on student's PC per the rights granted to student by the educational institution under their volume licensing agreement. Student's right to use the software shall be governed by and subject to the relevant section(s) of the most current Product Use Rights which student can view at http://microsoft.com/licensing/ or http://www.nsemexico.com/currentpurs.htm. For graduating students, the right to use the software is perpetual and shall be governed by and subject to the relevant section(s) of the most current Product Use Rights, which the student can view at http://www.microsoft.com/licensing.

2. **Description of rights and limitations.**
   - **Limitations on reverse engineering, recompilation, and disassembly.** Student may not reverse engineer, decompile, or disassemble the software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.
   - **Separation of components.** The software is licensed as a single Product. Its component parts, if any, may not be separated for use on more than one computer.
   - **Rental.** Student may not rent, lease, or lend the software.
   - **Support services.** Students acquiring software under a volume licensing agreement are not entitled to free telephone support.
   - **Software transfer.** Notwithstanding any terms to the contrary in an educational institution's volume licensing agreement, student may not sell, assign or otherwise transfer student's rights under this student license confirmation. In view of the fact that student has acquired the right to use the software under special terms pursuant to an educational institution's volume licensing agreement, any transfer of student's rights under this student license confirmation is strictly prohibited.

3. **Copyright.** All title and copyrights in and to the software (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the software), and any copies of the software are owned by Microsoft or its suppliers. The software is protected by copyright laws and international treaty provisions. Therefore, student must treat the software like any other copyrighted material except that student may install the software on a single computer provided
