SEPTEMBER, 2022 Newsletter

Dear Members:

I hope everyone has survived this very wet and cold winter and is looking forward to a better and brighter end to 2022. The committee is aiming to continue the great work that has been done for the last 40 years and hopes each member can help us by coming to our **'Back to Canterbury Day'** on Saturday 24th September. Entry will be via the Princess St gate and the day will be held in the newly planted garden area, the Sue Holden Pavilion located at the side of the school. The day will commence at 2pm and everyone is welcome, so bring as many of your school friends as you can, and feel free to bring your family along too! Entry is free and there will be tea, coffee, cold drinks, sandwiches and cakes for sale. It is a great opportunity to get together with friends and reminisce about the past school days. We hope to see as many ex-students and friends there as possible, both members and non-members.

This month we also hope to receive applicants from this year's Year 10 for the Cantabrian Scholarship. Information about the scholarship will be given to the year group this term and those interested will apply. Interviews will be held at the beginning of Term 4 where we hope to announce the successful recipient.

Don't forget to have a look at the Canterbury Girls' High School website when you get a chance at: <https://canterburg-h.schools.nsw.gov.au/about-our-school/cantabrian-girls-ex-students--association.html>

Not only will you find out what's currently happening at the school, but also information about our school's history and our very own page describing our Association. There is also the Alumni Voices Project, which has wonderful stories from ex-student's about their school days. It includes stories from students who attended in 1924 to 1979. It would be great to get stories from those who went to Canterbury Girls' since then. A call out for those who went to school in the 1980's and 1990's and would like to add their stories to the website. You can email this to me.

That's all for now, I look forward to seeing as many of you as possible at our event.
