23/3/2015

Dear Member,

The first meeting of the Association for 2015 was held on Saturday 21 March in the Cantabrian Hall. As we did at last year's March meeting, we held a "Bring and Buy Sale" instead of having a raffle and despite the small attendance we cleared \$96.00 which is actually \$4 more than last year! A big "thank you" must go to all the members who came along and brought and bought the items for sale.

Not many responses to our recent Questionnaire about our annual luncheon were received. Of those who did reply, most were happy with the event and there were no complaints about either the venue or food. Some ladies felt that perhaps the price was a deterrent and one or two suggested a change of venue, but overwhelmingly the feeling was that our luncheon should be held at the Canterbury-Hurlstone Park RSL or at least in the area.

This year's luncheon is being held on Saturday, 17 October, 2015 at the Canterbury-Hurlstone Park RSL and although the Club's cost has risen, we have decided to keep our charges at \$50. It should perhaps be mentioned that the Club's cost includes room hire, decoration of the room, serving staff and the food, so it really is good value.

We have decided to undertake the somewhat daunting project of writing a history of our Association with the view to producing a small booklet which may be distributed to our members and also posted on our website at the school. If you have any photos which were taken at our functions or any other information which you feel may be useful for this project, please send them to:

email: mmalins1@bigpond.com

If you send photos, please put as many names as possible on the back. The photos will be returned to you in good order when we've finished.

This year is the anniversary for the "5" years, so members from 1945, 1955, 1965, 1975 etc. try to get hold of your school friends and come along to celebrate your friendship past and present and above all, your happy days at Canterbury Girls' High.

We wish all of you a very happy Easter and hope to see you at our next meeting in September.

The Committee
