1967.

1967 - A Year of Changes

During every school year we experience change in many forms. Always there are changes in staff personnel and in this respect 1967 was indeed a year of change.

Miss E. Boland the Deputy Principal decided to retire and Miss Rose was appointed to the position.

Miss N. Cooper, Mistress of the English/History Department resigned to take up a position in the Teachers' Federation and Mr. T. Condon was appointed Master of the Department.

Miss B. See, Mistress of the Commerce Department transferred to Riverside Girls' High School and Mr. K. Wilcox was appointed Master of the Department.

Mrs. O. Johnstone, Special Mistress in charge of Music and with supervisory duties in the Art and Physical Education Departments transferred to Sydney Girls' High School and Mrs. R. Carlson was appointed to the position.

Mrs. J. Gallo was appointed Mistress of the Language Department when Miss Rose accepted the position of Deputy Principal.

Mrs. D. Rowe was appointed School Counsellor, the position which Mr. S. Ferriter held last year.

In every Department transfers and resignations resulted in new appointments but, as in other years, in a remarkably short space of time the recent arrivals had settled in to their new positions and were strangers no longer.

During the year Mrs. E. Pettorino resigned to take up family life and now has a son.

She was replaced by Mr. P. Kavanagh; Miss C. Glover completed her two year stay in Australia and returned to her home in England and was later replaced by Mrs. Andrews, a visitor from New Zealand; Miss E. Duff married and as Mrs. M. Laverne set off on her travels round the world with her husband and was replaced by Mrs. J. Law; Mrs. J. Martin resigned to take up family life and later will accompany her husband and small son to Wales and Mrs. B. Colley joined the staff in her place. Before the end of the year at least two other changes will take place, so you will agree with me that 1967 is certainly a year of change.

Then, too, during 1967 the School buildings and grounds began to undergo a change that will continue for many months to come. The four houses, purchased by the Department of Education on land adjoining the school fronting Church and Princess Streets, were demolished and the land was cleared, levelled and fenced and is now included in the school property.

A modern demountable class room was erected, in a matter of hours on newly constructed brick foundations. This we decided to make a 6th Form class room and every 6th Former has spent some time therein.

A double portable room was transferred to the school and placed in position on the newly acquired land. This has been fitted up as a Science Laboratory which has been used constantly ever since. Actually it was being used before the workmen had completed the fittings in the adjoining store rooms, so great was our need.

During this year also plans have been drawn and approved for considerable extensions to the school building. Two new wings containing a Library, special Art rooms, Science Laboratories, senior study rooms, special rooms for Activity classes and other much needed

amenities including a Tuck Shop and sheltered playground area are planned and are to be completed and ready for use in 1969.

The new junior summer uniform is being worn this year and is proving all we hoped it would be, serviceable, smart and comfortable. And what could be smarter than the new senior uniform which is being purchased by more and more 5th Formers and being worn with such evident pride. In fact, we have become so school and uniform conscious that we won the march past at the Zone Athletic Carnival this year and felt justly proud.

The P. & C. Association, a very small group of dedicated parents, made a very generous donation of \$500 towards the purchase of an electronic scanner early this year. Already we are wondering how we could have managed without it to cut stencils for the almost countless and complicated examination papers and notes and information for senior and junior alike. In fact we have found it invaluable.

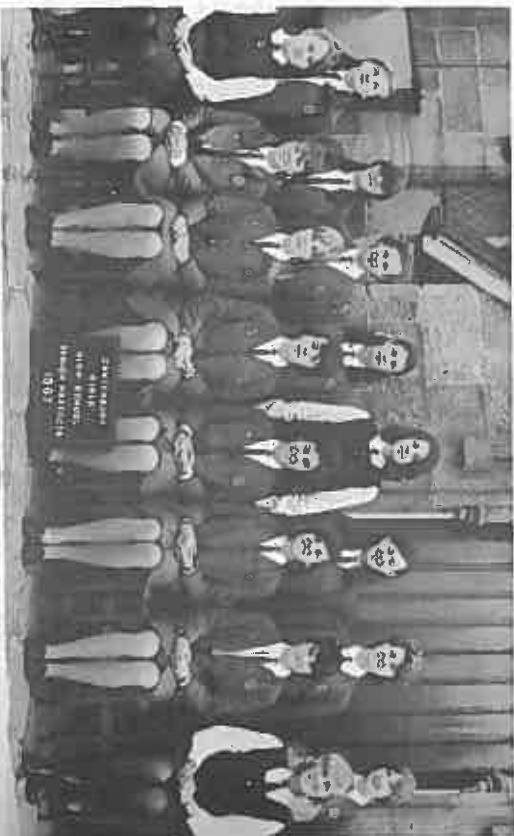

The P. & C. Association Mothers also conducted a very successful Market Day at the school, which raised well over \$400. The monthly Cake Stall proved very successful fund raisers - another P. & C. Ladies project. The Tuck Shop Association, in July of this year paid \$1,500 into school funds. Mrs. Frost and her group of Mothers, who give their services voluntarily each week, have worked tirelessly for the School.

This year too saw the beginning of the School Newspaper 'The Canterbury Oriole'. Fifth Form girls from the Editorial Committee and produce the paper under the careful guidance of Mr. Condon and Miss A. Smith.

1967 is a very special year in that it marks the completion of the first phase of the Wyndham Scheme of Secondary Education. Our fifty seven 6th Formers, who are the pioneers of the Scheme within our School, were given a delightful party to mark the completion of their six years at the school.

SENIOR PREFECTS 1966
 Back Row: C. Morris; C. Hanna; O. Vahner; J. McEwan; M. Hodgson; C. Hammond; P. Donnelly; D. Redman.
 Front Row: H. Forshaw; P. Irwin; N. Boniface (Vice Capt); B. Foote (Capt); C. Smith; A. Wang; J. Breen.

SENIOR PREFECTS 1967
 Back Row: D. Taggart; C. Frappell; H. Creasey; L. Andrews; J. Bronwich; V. Braten; D. Redman; C. Morris.
 Front Row: V. Stoermer; M. Campbell; J. Chalkey; P. Gillard (Capt); M. Burman (Vice Capt); M. Poulos; A. Roe; P. O'Brien.

Choral Activities - 1967.

A hundred girls from our school combined with the choir from Canterbury Boys' to sing at the Anzac Day Commemoration Service in Hyde Park.

Our choir participated in the Combined Secondary Schools' Choral Concert in July, at the Sydney Town Hall. For this concert Patricia Gillard was selected to sing a solo accompanied by Helen Creasey. During Education Week, a half-hour recital was given at Roselands' Community Centre. Then in September the choir, and folk-song group entered the Sydney Elsteddod. The choir were thrilled when they were placed second in "The Mirror" School Choral Championship for Girls.

The School Bank.

School banking procedure is conducted by School Pupils acting as Bank Officers under the supervision of a Bank Official. These School Bank Officers are selected from volunteers from Third Form Commerce students.

The Bank Officers for 1967 are Lynne Bergin, Kerrie Davidson, Esther Jaug, Fiorella Lepre, Dianne Nelson, Kerry Read, Ann Trevalthen and Carol Young.

The work involved provides some practical experience in general banking routine and is particularly beneficial for those desirous of following a banking career after leaving school. The girls enjoy doing the work and are on duty regularly and punctually every Wednesday morning.

The 1967 Bank Officers have discharged their duties most efficiently and are to be commended on a job well done. In recognition of their services, the Commonwealth Bank, each year, presents each Bank Officer with a Certificate, Biro and Money Box.

The School Newspaper

"The Canterbury Crier" began this year to enable the girls to express themselves. It is on sale once a month, except for such "minor" interruptions as examinations and holidays. The editor, Denise Taggart, and the editorial committee, Lynette Vincent, Joy Unsworth, Jeannette McMahon, Peggy O'Brien, Marianne Brassill, Morlin McCann and Sue Bentley have done a very fine job, and the newspaper has been made possible because of their efforts and enthusiasm.

Debating Society

The Teasdale Cup for the best Junior Debating Team was the focus for the enthusiasm of our Junior Debating Society. Although this was the first experience of debating for all these second and third form girls, both forms have shown a big improvement both in logical discussion and confidence in speaking. After a very nervous start against Dulwich High, the team - Leonie Barr, Sandra Poyas, Jeannette Grubben and Leonie Parsell - gained confidence and experience which contributed to their defeat of Kingsgrove High in an amusing debate about "Manners maketh Man" - especially Australian Man. A sympathetic Canterbury audience did much, I am sure, to inspire the girls. The toughest competition came when the team competed against Canterbury Boys' on their own ground. Nevertheless, the debate proved very close, the girls being defeated by only one point. Next year we hope the results, both in the inter-school debates and in the girls' ability to express themselves, will be as pleasing as those in 1967.

School Mathematics Competition

Canterbury Girls' High School was again represented among prize-winners in the annual School Mathematics Competition, which is conducted by the University of N.S.W. The object of the competition is to discover outstanding mathematical ability among school pupils. In both 1966 and 1967 Canterbury's successful entrant in the Senior Section was Helen Greasey, who won a prize in 1966 and a certificate of merit and book prize in 1967. This achievement is particularly impressive because the competition attracts entries from High Schools and private schools throughout the state and the number of awards made is about fifty in each section.

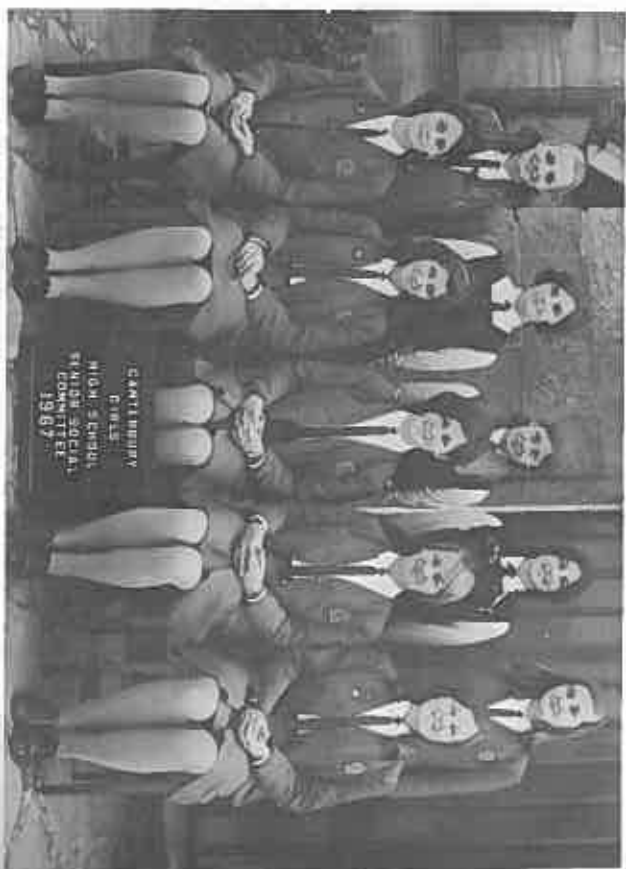

FIFTH FORM SOCIAL COMMITTEE

Early in the first term, Fifth Form girls elected a Social Committee, who organized many successful activities during the year. One of their earliest tasks was the drawing up of a roster of Fifth Form girls to give assistance in the Tuck Shop when required.

During the second and third terms, many money-raising ideas were put into practice with successful results. These included car washes, a jumble sale, a Miss Genterbury Competition and a number of other functions. Money raised was mainly used for the Farewell to Sixth Form in the Third term.

The Farewell Dinner was held at the school, and was an outstanding occasion, 147 guests attending.

The Social Committee received willing help from the rest of Fifth Form, and from Mrs Lynch, Miss Young, Mrs Ralph and the Home Science teachers.

SENIOR SOCIAL COMMITTEE

Back Row: L. Dudkin; M. Samuel; J. Washington; J. McMahon; J. Weekley.
Front Row: M. Brassill; J. Chalkes; L. Dowse; M. McCann; A. Cornish.

LIBRARY STAFF

Back Row: L to R, Ann Trevathan 3A, Daphne Paris 3A, Stephanie Bowen 3B, Jenny Vassilopoulos 3A, Tonia Anastas 3A.
2nd Row L to R, Lily Cheung 3A, Robyn King 3B, Wendy Bathie 3A, Julie Campbell 3A, Rita Neumann 2A, Pam Gardner 2A, Florella Lepre 3A.
Front row L to R, Leonie Barr 3A, Esther Jang 3A, Jeanette McMahon 5A, Mrs E. Le Marné (Librarian), Marika Karosi 5B, Lyn Fitzgerald 3A, Margaret Lee 3A.

During the year the librarians have worked very hard, voluntarily devoting their lunch hours and some time out of school hours to the many duties they perform.

More than one thousand three hundred new books have been added to the library this year and all have been labelled and covered in plastic by these girls.

They have also repaired or withdrawn many others and have worked at the changing desk during borrowing hours. Without their cheerful assistance the library could not continue to function.

Commerce Department

Geography students participated in a number of interesting field trips during the year. Senior Students visited Harry Peck and Co., and the British Motor Corporation as part of their studies of the Industrial Landscape and joined the fifth form in a one day study of the Blue Mountains area which covered the physical structures and stream patterns.

A weekend exchange visit with students from Bathurst High School gave our girls, accompanied by Miss Freeman, the opportunity to visit this country centre and gain valuable geographic experience. The weekend included a lecture on the Bathurst timber industry by an officer from the Forestry Commission, and inspections of the Timber Industries Mill and Pyneboard factory, Oberon, and Atef furniture factory in Bathurst. Other interesting features were a visit to "Pakby" Keyline farm, sheep raising studies of an adjoining property, an inspection of Edgell's Cannery and an Edgell's "country garden", study of orcharding and market gardening and a visit to sand/gravel works.

The return visit by Bathurst Students accompanied by Mr. Russell to Canterbury allowed us to arrange tours involving the study of urban, industrial and physical geography of the Sydney area - south, west and north, with a visit to the Ensemble Theatre to combine study and entertainment.

Junior students of Geography and Social Studies visited the Australian Museum and made a one day field trip to Port Kembla studying industrial development and landform features of the South Coast.

The Stock Exchange became the focus of attention for the Economics students and a visit was arranged to see the Exchange at work and to see films and hear talks on its history and functions.

INTER-SCHOOL CHRISTIAN FELLOWSHIP

The Inter-School Christian Fellowship meets each Thursday at lunchtime. Early this year I.S.C.F. was divided into two groups and membership was increased because because topics of interest to each age group could be discussed.

During the year we have been fortunate in having three films and a number of guest speakers, notably the Rev. Geoffrey Feltham, Chaplain at N.S.W. University and the Rev. Bruce Smith, Lecturer at Moore Theological College.

The highlight of the year was our week-end Houseparty at "The Grange", Mt. Victoria. This was full of gay moments of fellowship as well as being one of spiritual benefit.

We wish all the Sixth Formers every blessing for the future, particularly last year's leader Noreen Boniface and the committee Beth Foote, Carol Hammond, Jeanette McEwan, Christine Smith and Ai-Wen Wang.

Back row
Margaret Rinkln, Catherine Morris, Patricia Gillard, Helen Creasey,
Denise Teggart, Dianne Smith.

Front row
Margaret Hinton, Margaret Benson, Peggy O'Brien (leader) Janice Bromwich,
Margaret White,
Absent Sharron Howard, Wendy Harding.

Needlework

During Education Week Fourth and Fifth Form girls were invited to participate in a Mannequin Parade at the Trocadero.

The school Captain, Pat Gillard, compered the formal section of the parade. She introduced Dr.H.Wyndham, the Director General of Education, and thanked the official visitors for their attendance. The highlights of the parade were televised.

Our schoolgirl mannequins revealed competence in the interpretation of design and an excellent choice in the selection of fabrics and accessories.

MANNEQUINS

L. to R. M.Burman; J. Collins; L. Dowse; E. Karosi; J. Chalker;
J. Read; E. Holly; C. Newman; M. Maxwell.

"MISS CANTERBURY" 1966 - 1967

E. C. E. Karosi (1967); L. Dowse (1966).

SCIENCE

Accommodation for the Science Department improved during 1967 with the provision of a second laboratory. The laboratory, which is larger than the existing one, will become fully operational during 1968. It will provide welcome relief and ensure that all classes are able to participate in the practical work which forms an interesting part of the new courses. In addition the laboratory will be available to senior students studying Textile Design and Home Economics. Science students have also been active in the field with most forms taking part in a number of excursions. Senior students visited Avalon where an interesting study of sand dune succession was undertaken. Other senior excursions were to Bondi, the Mining Museum, the Zoological Gardens and the Museum of Natural History. Second and Third Forms visited the volcanic neck at Bondi and also spent an enjoyable day at Marine Rock Platform. Form II students were privileged to attend "da VincI to Sputnik", a Qantas display which traced the history of aviation and which climaxed with the inspection of a Boeing 707 aircraft.

HOME SCIENCE

"Cookery is here elevated to an art and a science."
Our girls first learn the underlying principles, which result in good foods being properly cooked and beautifully presented - "food must please the eye as well as the palate".

From the mundane beginning we begin to glamourise - the humble potato becomes a delectable potato puff; the plain scone, cheese topped and mouth watering (when made by Mrs Topp); a good stew changes into "beef ragout de luxe".

A R T

Four excursions have been conducted by our department this year. Three have been to the Art Gallery and Form II Art Elective girls visited the Australian Design Centre.

The sixth form art students saw the "Modern British Sculpture Exhibition, while this group and IA saw the "Modern American Painting" Exhibition. The third form Art Elective class attended a conducted lecture at the Art Gallery.

A variety of art reproductions have been bought to brighten the main corridors. These prints can be changed regularly.

A display case has been placed in the corridor outside the Principal's office so that work done by the girls can be shown.

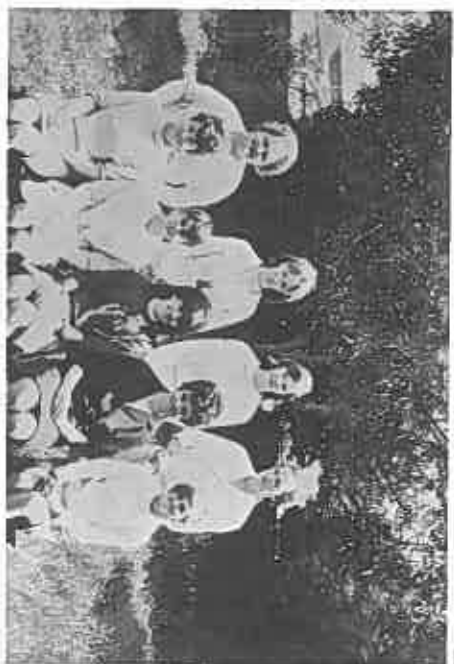

Larger pieces of craft work, such as model houses, mosaics, pottery and sculpture were on display in two rooms on Open Day in Education Week.

THE

STAFF

LANGUAGE DEPARTMENT REPORT

Besides the three languages, French, Latin and German, the language department also covers the teaching of Ancient History, introduced into the Senior school curriculum at the beginning of 1966.

During the summer vacation 1966-67, Lucile Sadler and Janice Usherwood took part in a residential summer school for students of Classics. In Second term 1967, fifth form girls saw a Latin play staged by Sydney University students and in third term, the sixth Form girls studying Latin at first level attended an all day Conference at Sydney University.

French students in fifth and sixth forms were fortunate in being able to see productions of the modern plays set for study by the Higher School Certificate. These were presented in English by "The Pageant Theatre" Group, one at Wiley Park Girls' High School, the other in our own Assembly Hall. A brilliantly clever production of Moliere's "Les Femmes savantes" gave considerable pleasure to the group of sixth form French students who had the rare privilege of seeing a first-class French theatrical company.

As usual many girls throughout the school took part in the Alliance Francaise examinations in July. This year Lucile Sadler entered for the Alliance Concours for sixth form students and brought great honour to the school by gaining a Credit as the best candidate in the essay section.

Over one hundred girls entered the General Alliance examinations and the vast majority passed.

Results : (Prizewinners are marked *)
Form II : M Andreasakis, K Boniface, M Brassill, B Briggs, J Bosquet *, J Cremer, W Davies, S Evans, P Field, P Gardner, J Gregory, J Groves, I Lowry, J McKinnon, R Mirrilles, V Moylan, H Newman *, R Neumann *, B O'Connor, E Psarion, A Read, J Rogers, B Stephens, E Theodoris, L Thornton, M Twist, D Weedon, Young J.

Form III : T Apps, I Barr, W Bathie, V Bennetts, R Bubica, J Cheung, C Bromwich, J Cramp, F Devaux *, E Jang, E Jordan, M Lee *, F Lepore, P Lord, D Paris, S Powys, K Read, I Riddle, S Sanders, P Sparrow, I Temperley *, B Willis.

Form IV : K Andrews, G Bell, D Buckland, M Bunt, B Burling, N Chamberlain, D Christie, P Clarke, L Coates, P Fairley, J Green, L Hall, A Harris, R Harrison, M Higgins, F Horwitz, R James, G Jones, D Lazarus, C Lember, M Lindsay, J McVain, C Mirrilles, M Newton *, D Smith *, M Sparrow, H Tucker, A Toltstas.

Form V : S Bentley, C Frappell, P Gillard, L Jolley, C Morris *, D Redman, S Smith.

Form VI : N Boniface, N Callanan, W Davys, P Donnelly, M Evans *, C Hammond†, J McEwan, S Martin, L Sadler†, C Smith, J Usherwood, A Wang.

NEWS OF EX-STUDENTS

Recent ex-students who have joined the teaching service include V Bell (B.A. 1965), H Kilner, D Brown, C Kenny, Y Beaman, Z Lloyd, J K Bonner, completing teacher training this year are A L Wang and J Lee (B.Sc 1966). Still studying for degrees M Creasey, G Chilly, I Surplice, C Chamberlain, A Wood, A Wild and P Whitley (who won the Nicholson Scholarship for Latin II 1966). G Burrows is lecturing at Sydney University and is doing her Master, E Davys is a dietitian with the Health Department.

F Rossen has an interesting position with a law firm and J Mittelhauser is completing nursing training at Cooma.

Recently married are J Young, B McLachlan, M Kay and the Whitfield twins. P Young, Waratah Princess 1966 was a finalist for Miss N.S.W. 1967. We should be glad to have news of other ex-students anytime.

ADELAIDE HOUSE REPORT

In 1967, Adelaide won the School Swimming Carnival and came second in the Athletics Carnival. Amongst the many girls who contributed to the success were the outstanding swimmers Wendy Harding and Alison Clarke and amongst the athletes were Lorelle Mills and Alison Clarke. House members have collected over 40,000 stamps to date. Adelaide's contribution to the cake days has been most commendable. The Captain, Janice Bromwich, and the Vice-captain Sue Alderson, would like to extend their thanks to all of the girls for their team-work and in particular to thank Christine Smith, Captain for 1966, for her work last year and this year.

BRISBANE HOUSE REPORT

This year Brisbane House has done very well in Sporting Activities. Once again we won the Ball Game Shield by a decisive number of points. Early in the year we were narrowly defeated by Adelaide in the Swimming Carnival.

Brisbane Basketball team was successful in the Winter Inter-House Competition. Cake days and stamps collecting have both been well supported by the House. The House Captain, Valma Braten, wishes to thank Mrs Dowling and the members of the House for their assistance and support, a thought seconded by our Vice-captain, Sue Walsh. Our thanks go to last year's House Captain Jeanette McEwan for her untiring interest and advice.

HOUSE CAPTAINS: Back Row: S. Alderson; S. Walshe; G. Bell; K. Andrews. Front Row: J. Bromwich; V. Braten; D. Redman; L. Andrews.

CANBERRA HOUSE REPORT

1967 has not been exactly a "successful" year for Canberra House. However, the members feel they have more than proved to the school that they are good losers which, after all, is more important than being good winners.

Thanks to the support of our House Mistress, Miss Gunn and the untiring support of House Captain Darlelle Redman, and Vice House Captain Glensy Bell.

Although we did not perhaps "scoop the pool", I am sure that every girl feels it was worth the effort to go down in such a blaze of glory.

(Cheer Squad Leader)

DARWIN HOUSE

1967 has been a good year for Darwin, the house with the best cheering squad. The house captain Lexie Andrews and her assistant Kerrie Andrews have worked well, with the co-operation of House Representatives. Response to Social Service collections and Cake Days has been consistently good while 10,000 stamps have been collected.

In sport, Darwin gained 3rd place in the Swimming Carnival with Chris Moffitt, Kerry Lordon, and Jeanette Jackson gaining many points. First place was gained in the Athletics Carnival where the first formers made up an unbeatable team with Kerry Golding being particularly good. A thank you to all members for contributing to Darwin's success.

Back Row: K. Cameron, S. Mills. Centre Row: K. Golding, L. Garrett, C. Fayers, G. Bell, H. O'Connor, J. Lane, A. Rankin, D. Schomberg. Front Row: L. Mills, A. Clarke, H. Ross, J. Clarke.

SPORTS REPORT

During this year we have had a variety of sporting activities and many team and individual successes.

The first and second forms go to sports on a Monday afternoon and they have a choice of tennis, swimming, hockey, basketball and softball. The senior girls have sport on a Tuesday and go to a variety of venues, to work at, squash, tennis, golf, ice skating, judo, swimming, basketball, volley ball and softball. There is something to suit all tastes. We had an opportunity to be coached in race-walking but this was not too popular. Some girls felt that the walk from School to Tasker Park, where most of the games take place, was enough for one day.

We are fortunate in being one of the few schools with a well equipped gymnasium. It is not the largest in town, but it gives a good training in moving in a confined space.

Playground lessons give games training and the girls do some good work with the co-operation of neighbouring householders who kindly throw back the balls from their gardens. This might be a good opportunity to ask dog owners to keep their dogs at home as they are always keen to join in the lessons with some unfortunate results.

Our biggest individual successes go to Helen O'Connor who set a new state record for Race walking with a time of 1 min 43.7 secs; to Lorelle Mills who won the schoolgirls' cross country race, and to Sue Young who came 2nd in the State Swimming Carnival in the 220 yards Open Championship.

The School Swimming Carnival held in March, was a great success being held on the only fine day in the week. Adelaide House were the winners and the individual champions were Denise Williamson, senior; Sue Young, junior and Lella Piper, sub-junior.

SWIMMING TEAM

Back Row: A. Clarke; C. Gordon; J. Jackson; B. Dear;
Centre Row: K. Lordon; L. Garrett; S. Young; K. Cameron; J. Clarke.
Front Row: A. Clarke; J. Williams; G. Young; J. Woodward; R. James;
C. Sherriff.

At the Zone swimming Carnival, our school came fifth and from there we sent Sue Young, Julie Woodward and Judith Williams, to the State Carnival at North Sydney Pool.

On the Zone Sports day in May our "B" Hockey team came first, the "A" team finished second. The two Basketball teams and the two softball teams were narrowly beaten in the Grand Finals. The Squash team came first and the tennis team said they enjoyed their matches anyway.

ZONE A HOCKEY TEAM: Back Row: S. Smith; K. Lordon; L. Parsell;
K. Cameron; M. Evans. Front Row: J. Waters; A. Clarke; R. James;
Front Row: J. Waters; A. Clarke; R. James; L. Grujovic.

ZONE B HOCKEY TEAM: Back Row: D. Taggart.
Front Row: L. English; H. Salisbury; P. Gillard; A. Clarke.

ZONE SQUASH: L. Dowse; M. Poulos; A. Teasdale; (Absent: L. Young).

Our School Athletics day was held at Campbell Park Oval, in June, just ten minutes walk from the school. It was the first time that it was used since alterations and it proved to be very satisfactory. The council had made every effort, and the field was in an excellent condition.

The winning house was Darwin, and individual champions were Janice Lane, senior, Lorelle Mills, junior and Kerrie Golding sub-junior.

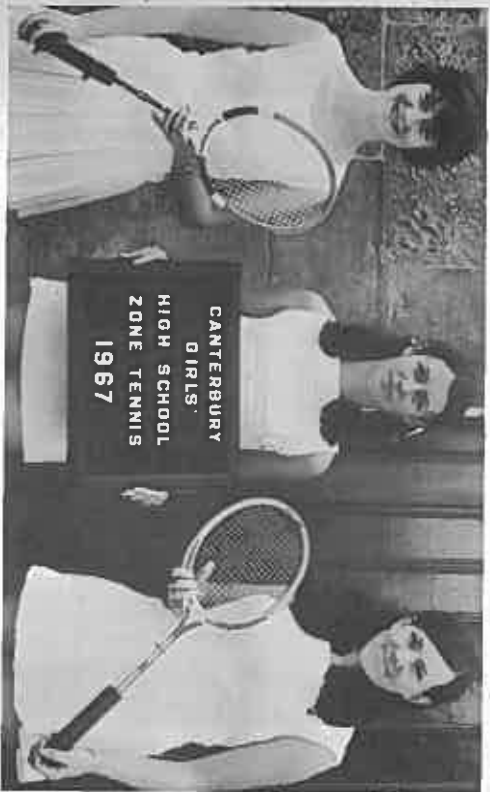

STATE ATHLETICS TEAM: Back Row: K. Golding; L. Garratt; C. Fayers; G. Bell; H. O'Connor; J. Lane; A. Rankin; D. Schomberg. Front Row: L. Mills; A. Clarke; H. Ross; J. Clarke.

We had three teams playing basketball on Saturday mornings but the softball team had the greatest success, being again just beaten in the Grand final. The Hockey team played in the Saturday morning competitions at Rushcutters Bay. Christine Morrill was selected for the Interstate Hockey Team and Alison Clarke played in the Metropolitan Team.

ZONE A SOFTBALL: Back Row: R. Giles; F. Moore; A. Jonasse; M. Bailey; A. Miller. Front Row: S. Edwards; E. Holly; S. Walsh; D. Aheru; G. Young.

ZONE TENNIS: C. Armstrong; L. Andrews; V. Braten.

The whole school went to the Zone Athletics and cheered our school into third place. The high light of the day was when our girls, led by four sixth formers in their new uniforms, came first in the march past.

We sent a team of twelve girls to the state Athletics held in Sydney cricket ground in September, all girls did very well in their events. Canterbury zone came eleventh out of twenty eight zones.

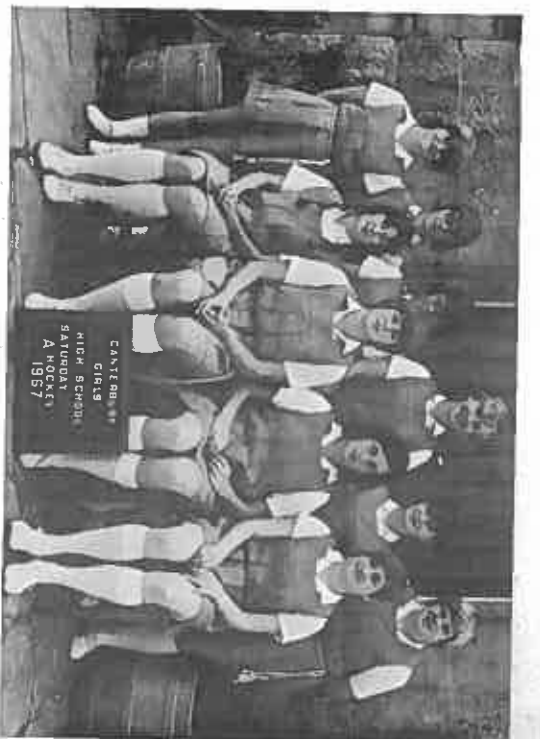

We were invited to join in the production of "The gay Parisienne" at Homebush Boys' High School, and a highly polished team of can dancers were sent along from our school. These girls also contributed to the atmosphere of the school's fashion parade on Open Day.

Whilst as much provision as possible is made to coach girls during school times, parents are urged to let their daughters join local clubs where they can receive further training in any special aptitudes.

STATE SWIMMING TEAM:

G. Young; V. Williams; J. Woodward; S. Young,

SATURDAY A GRADE HOCKEY

Back Row: A. Clarke; S. Smith; K. Lordon; L. Parsell; H. Salisbury; L. English.
