

Canterbury

Girls' High School

Year Book

1969

Principal's Message, 1969.

You may tend to think that every year at school is the same as the one before and that it's all a bit of a bore! But if you take the trouble to assess each year as it draws to a close, you will find that each year leaves quite a different impression - and that the impression is partly external and partly internal.

We all know what the external changes have been during 1969 - building extensions completed (at last!) providing a splendid array of laboratories, a fine library, new classrooms, fluorescent lighting throughout the school (almost), demolition of surrounding houses under way to furnish badly needed play-ground space, a new P.E. centre which will become really valuable when the gymnasium is shifted into our grounds and a P.E. playing area developed.

But what of internal changes? These are different for each individual because they are the result of each person's reaction to external conditions. In other words, it all depends on you to gain profit from the improved conditions offered to you and to make your personal contribution to the development of the school community.

To those who will no longer be part of this community next year, we extend our thanks for any goodwill and constructive efforts you have contributed in the past. I am glad to have the opportunity of offering my personal good wishes, those of the Staff and of your Principal, Mrs. Humphreys, to all of you: may success be yours in every field of endeavour, and may you long retain happy memories of the years you shared with the rest of us, who will still remain part of the Canterbury Girls' High School community, and work to further its development for some time to come.

Fifth Form Prefects.

As with prefects anywhere it has been a busy year. However, besides the usual duties, the prefects have positions on the Student Council. They take turns in serving on the council and two, Stephanie Bowen and Diane Nelson, have been elected to permanent positions.

I have appreciated all the hard work that the prefects have performed and I wish to thank them for their willingness and their co-operation in the tasks that have demanded much of their time.

Best wishes go to next year's prefects.

Louis Temperley
Head Prefect 1969.

SCHOOL PREFECTS
FORM V

SCHOOL PREFECTS
FORM VI

The Student Council.

The Student Council was instituted in February this year. The work done by the council has been varied and has helped to promote co-operation between the staff and the girls. Some of the achievements this year have been: changes in school uniform, new locker times and a campaign to keep the playground clean. We also organized a farewell for Mrs. Humphreys.

Meetings were held every fortnight in the library with Mrs. Mathers and Mrs. Le Harne as advisers. The council is most grateful for their help and guidance.

Barbara Daley was president for 1969 and carried out a difficult job with ease and willingness. Other officers were vice-president, Stephanie Bowen; secretary, Diane Watkins; assistant secretary, Barbara Eichorn; treasurer Diane Nelson and assistant treasurer Anne Rauch. It is hoped that the Student Council with Cathy Richardson as president in 1970 will be even more successful.

THE SCHOOL
COUNCIL

SCHOOL COUNCIL
COMMITTEE

5th Form Social Committee Report.

The 5th Form Social Committee was formed with the idea in mind of raising money for the 6th form farewell at the end of the year. During the year many functions were held to raise this money. These functions included:

"Canterburys' New Faces" which brought forth new talent - Car washing which left some of the staff's cars sparkling a basketball match in which the famous fifth form phantom fairies took part and went down "fluttering" to the teachers. Later on in the year a "Folk Forum" was organized outside of school and proved a huge success. The total profit was \$235.

Many cake days were held including one at the sports carnival. To round the year off the "Annual Miss Canterbury Quest" was held in which the winners were presented their prizes by the Special Guest - a local fifth form phantom fairy flown in just for the occasion.

Although this may seem like a lot of hard work we all enjoyed ourselves immensely and it wasn't really any great effort to raise the final amount of \$554.63c. This amount made the farewell at Del-Roi Colonial Lounge an enjoyable and highly successful night.

 Scholarship), Bronwyn Wilson, Kim Wilson, Carol Young.

The School Newspaper.

Once again editions of "The Canterbury Crier" have been published regularly. The editors, Ann Trevarthen and Leonie Barr of Form V, under the guidance of Mrs. C. Boyle have made great efforts to meet deadlines.

The assistance of ten other fifth formers has added variety to the paper this year. Attempts have been made to co-operate with the Boys' School to increase the variety of the articles and to extend circulation.

" CANTERBURY CRIER" EDITORIAL COMMITTEE

I.S.C.F.

This year Mrs. Wasley acted as I.S.C.F. counsellor. Miss Witt and Mrs. Pooley assisted us in many ways. We are indeed extremely grateful for the help that they have given.

The highlight of first term was the houseparty held at Wentworth Falls. A weekend full of variety was enjoyed by all. Mr & Mrs. G. Deathleffs and former Cantabrians helped to make the houseparty one to remember.

Throughout the year we have held many interesting meetings each Tuesday at lunchtime and we have gained great benefit from the prayer meetings held every Monday at recess. Guest speakers at our lunchtime meetings have been Reverend D. Foord, Mr. P. Jensen, Mr. T. Monymeux, Mr. O. Smythe and Mr. T. Condon.

Again we held our First Form Welcome in the hall during the first week in February. Something new was tried this year - a farewell to Sixth Form. The farewell was an afternoon tea which was appreciated by all.

I.S.C.F. COMMITTEE

Library Report.

1969 has been a rewarding year in the library. We moved into our new library in April and at last have more space to store books. There are two study rooms, a workshop and an office attached, and the library has attracted many pupils in private study lessons as well as at other times.

The library staff have worked hard covering and processing all new books. Up to the middle of October, 1400 books had been added to the stock during the year at a cost of more than \$3,000.

School Banking.

Banking procedure in this school is carried out by Commerce Students acting as Bank Officers. The Bank Officers this year have been Sandra Black, Linda Blockley, Helen Campbell, Denise Fawcett, Kay Francis, Shayne Henderson, Margaret Pakenham and Sandra Simmons. These girls have discharged their duties very capably and we thank them for their interest and co-operation.

We would urge as many pupils as possible to open School Savings Accounts - deposits from 10c upwards are accepted. The School receives a Commission on the total amount of deposits, so in helping yourself to be a THRIFTY person you are also helping your school.

Please, may we emphasise, that we do not encourage withdrawals from School Savings Accounts.

DRAMA

In Education Week our two Drama Clubs participated in the two performances of the school's "Music and Drama Night". Mrs. C. Boyle's Junior Drama Club produced "The Jewel Casket", Miss B. Chapman's Senior Drama Club combined with Canterbury Boys' and co-opted several first formers to produce "The World We Live In" or "The Play of the Insects". Miss N. Bizys supervised the dances and the staging. These productions were performed in St Paul's Church of England Hall to a capacity audience on each occasion. Congratulations go to all for a job well done.

"THE JEWEL CASKET"

"THE WORLD WE LIVE IN"

"THE BUTTERFLIES"

"THE ANTS"

Debating.

Our Teasdale Debating Team was defeated in Zone N, on a count back of margins. Petersham Girls' and our team both won two debates and lost one, but Petersham Girls' had the better margin of points.

Congratulations go to Mrs. J. Elfverson and her team of fourth formers.

First Debate:- against Petersham Girls'
Topic. "That our T.V. is already too colourful".
- won by Petersham Girls'.

Second Debate:- against Dulwich.
Topic. "That experience is the best teacher."
- won by Canterbury Girls'.

Third Debate:- against Canterbury Boys'.
Topic. "That youth gets too much too quickly".
- won by Canterbury Girls'.

Activities of the Subject Departments.

ART.

Three new art rooms were occupied in March. Third Form students went to the National Art School to see ceramics, designs, printing, painting and drawing. This was followed by a visit to the Small City Art Galleries. Under the supervision of Miss Bizys third form non-examination classes designed and painted stage sets for "The Play of the Insects."

Competitions entered include the poster competition "Keeping Canterbury Municipality Clean" and the Sun poster competition "The Prevention of Fires."

COMMERCE.

Field trips were organised for third form Commerce students to the Bank of N.S.W. and for third form Geography students to the Port Kembla Steelworks. The senior Geography students, accompanied by some science students, made a comprehensive three day tour of the Hunter River Valley. Accompanied by Miss Shakeshaft and Mrs. Bloomfield the group visited twelve projects - including the B.H.P. steelworks, Soil Research station, Glenbawn dam and a 22,000 acre property.

Arrangements were also made to have the film "Journey to Aboriginal Country" screened at the school. Mr. Ron Turner, the film maker, presented the film and gave a most interesting introductory talk through which he demonstrated many aboriginal weapons and instruments.

Representatives from the Ceylon Tea Board also visited the school to show films and discuss the plantations with Senior students. We are looking forward to the visit of the Ceylonese girls in National costume who will bring with them many of the handicrafts of Ceylon.

ENGLISH.

On the 12th March fifth form students saw the film "Romeo and Juliet" at the Rapallo Theatre.

On 22nd March and 29th March two groups from sixth form attended the Graduate Theatre Group's production of "Oedipus Rex" at the Union Theatre.

On the 24th June Mr. Peter O'Shaughnessy visited our hall and spoke to fifth form and sixth form students about Shakespeare's "King Lear."

4C, 4D and 4E attended "Julius Caesar in Rehearsal" at the Independent Theatre on the 3rd July.

On the 4th July fifth form saw the stage production of "Hamlet". 4A and 4B saw the Genesis production of Thornton Wilder's play "The Matchmaker".

LANGUAGES

Feb. 17th Performance of Anouilh's "Antigone" in School Hall - Padgiantie Theatre.

June 10 Classical Society's Schools Night at Sydney University (attended by 5th & 6th Form Latin)

MATHEMATICS

The Maths Club has continued to meet every Friday under the guidance of Miss Prowse. Five girls entered the Mathematics Competition conducted by the University of New South Wales in May.

NEEDLEWORK

The Mannequin Parade at the Trocadero was once again one of the outstanding items associated with the observance of Education Week. 4th Form girls were invited to take part in the parade "Maid for all Seasons." Two of Spring's Messengers, Pam Gardner and Bronwyn Deer impressed the T.V. cameraman - we were delighted to see them modelling their outfits on the Channel 7 newsreel. As a result of her performance in the parade, Denise Cox was selected to model fashion garments for

HISTORY,

- February. University-Secondary Schools History Society was established with the aim of increasing communication between Ancient and Modern History senior students and the universities.
- March. - Excursion - Third Form - Kurnell.
- May - Asian History Study Day for senior students.
- H.W.Baker Memorial Conference - residential college at Bowral - attended by senior Modern History students.
- June/July- Ancient History and Modern History study days held at Sydney University.
- July/Aug- Modern History Films - 5th and 6th Form attended.
- Film on Australian aborigines - 4th Form attended.
- Sept. - Ancient History lectures - Sydney University - for senior students.
- October - "The Rise and Fall of the Third Reich" - film attended by Modern History students.
- November- Excursions - 2nd and 3rd Form.
Parliament House.
Parramatta/Windsor.
- 1970 - A Summer School of History has been established by the University - Secondary Schools History Society - to be held Jan. 1970.

HOME SCIENCE,

"When the lights came on again" and the sound of drills and hammers ceased, the staff of the Home Science Dept., once again smiled and proceeded cheerfully to iron out the tangled remains. Despite the fact that our Cookery rooms are delightfully antiquated, the aim is still to keep Home Science at its original level - that of an art and a science.

We apologise for the tantalising odours which pervade the atmosphere, but, take heart, one day we may have exhaust fans. Who knows?

THE MADRIGAL GROUP

MUSIC

The highlight of this year's musical activities has been the selection of our Madrigal Group as the 1969 Australian entry into the B.B.C. International Competition "Let the People Sing", in which the Group won the first round against Finland, but were later beaten for a place in the semi-finals by South Africa. A 7" disc was made of the songs recorded for this competition.

Other activities were combining with Canterbury Boys' High School choir to provide the music for the Anzac Eve Service in Hyde Park; participating in the Combined Secondary Schools' Choral Concert, including a vocal duet sung by Susan Maston and Elizabeth Collins, accompanied by Tola Anastasi; the St. George District Music Festival; the Music and Drama Evening held during Education Week; the Sydney Eisteddfod; and having the A.B.C. broadcast a 15 minute programme in the choral session called "The Choirs".

SCIENCE

Four new laboratories with associated preparation rooms, plant and animal rooms and bulk store rooms have enabled the science department to function more effectively. In addition a rock garden has been established adjacent to the new wing, containing plant types specifically studied in all classes.

The arrival of our much awaited technical assistant, Mrs. Lewis, has already increased the efficiency of the Department, by relieving the teachers of much of the time consuming preparation and maintenance work. It is anticipated that next year, with these new facilities being fully utilized, it will be possible to place even greater emphasis on individual participation in practical work.

Once again excursion work contributed significantly to the curriculum. Various classes visited Bondi, the Australian Museum and Taronga Park Zoo. In addition some senior pupils visited Long Reef, Gunnamatta Bay, McCaer's Creek and Kurnell for Biological studies. A very successful three day combined Science-Geography excursion for forms V and VI to the Hunter River Valley was undertaken early in Term II this year.

THE SCHOOL CHOIR

22

23

Adelaide House Report, 1969.

1969 couldn't be described as a year of big successes but anyway we tried hard. In swimming we managed second place, winning the Sub-Junior point score, in athletics, however, our performances were not so successful - only gaining fourth place. Outstanding performances in these events came from Helen Danswan and Pam Kilner in swimming and Debbie Bevert and Faye Moore in athletics.

Response to social services and stamp collections have been encouraging and so far we have collected over 10,000 stamps.

Special thanks go to our House Patron, Miss Weiner, and to Mrs. Fazio. Through their untiring support and advice, they seemed to transform our rather sloppy schoolgirls into unsloppy athletes.

Although we did not perhaps shatter every record I'm sure every girl feels it was worth the effort to go down in a blaze of glory.

Faye Moore.

HOUSE CAPTAINS 1969

Brisbane House Report.

During 1969 Brisbane has continued its successes of 1968 by winning the Swimming Carnival, Athletics Carnival and the Ball Games Shield. We are also doing well in the other activities.

Jenny Young, vice-captain, and I thank Mrs. Dowling for her staunch support as House Patron and we thank Sue Walsh, captain in 1968, for the helpful advice throughout the year. Special thanks also go to all girls in Brisbane House for their enthusiasm in 1969.

Heather Ross.

Canberra House Report.

1969 has not exactly been a year of total defeat for Canberra. Although our efforts in the School Swimming Carnival rewarded us with fourth place, we graciously "stepped up" to third place so that Adelaide might reign in the "glorious" position for the Athletics Carnival. The stamp collection to date is 21,000, perhaps this will be a victory, Canberra!

Our best wishes for the future go to former House Captain, Glennis Bell. Thank you for all your help!

Our gratitude must also be expressed to House Patron, Mrs. Hofmann and Vice Captain Elaine Jeffreys for their support. Thank you also to those girls who have readily participated in House Competitions. We may not have won, but we tried!

On retiring as House Captain for 1969, I only wish to say - maybe next year Canberra!

Louise Riddle.
(House Captain)

HOUSE REPRESENTATIVES

Darwin House Report.

1969 has been a year of effort and some reward for Darwin. Both Carnivals provided house enthusiasts with a great deal of excitement - we gained second place in the Athletics. Our juniors were Darwin's pride and joy, taking out the junior point score in Ball Games and Athletics. Social services and stamp collections were strong points during the year with house patriots contributing wholeheartedly. Thanks must go to the hard working House Captain, Diane Nelson, and to the Vice-Captain, Pat Watson, without whose help, this year would not have brought the success it has. Also, thanks to the Darwin house members who have aided the house in any way during the year.

Diane Nelson.

Sporting Activities 1969.

Summer Sport:

Choice - Swimming, Softball, Cricket, Volleyball, Tennis, Squash, Judo.

Swimming Carnival:
