**SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19 Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.**

***"I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed." —Michael Jordan***

## **UNIVERSITY**

### **UAC Deferring A Uni Course - What you need to do.**

Deferment is when your institution gives you permission to delay starting your course. Deferment is for a fixed period, usually six months or one year. All deferments are granted subject to the course being offered the following semester or following year. Some institutions will only let you defer in special circumstances.

#### **How do I defer?**

When you receive an offer to enrol in a course, information included with your offer will explain how to apply for deferment. You may have to accept the offer before you can defer.

Most institutions will ask you to provide a statement to explain why you wish to defer and what you'll be doing during this period. Once your deferment has been granted, you'll receive written confirmation of your deferment from the institution concerned. This will also give instructions on how to take up your deferred course. If, at the end of the deferment period, you decide you'd like to be considered for other courses, you can complete a new UAC application and include these course preferences. If you receive an offer to one of the new courses, you can then decide whether to accept the offer or take up your deferred course.

#### **Can my offer lapse?**

Yes. If you undertake degree studies or certain levels of TAFE study other than NSW HSC courses during your deferment period, your offer at many institutions will lapse. You'll need to re-apply through UAC and declare all of your studies. Check with each institution for specific policies.

### **UAC Webinar: Applying for the Educational Access Scheme**

3 Nov 2021. 6pm

The Educational Access Scheme can help students who have experienced long-term disadvantage get to university. We'll show you how to apply, run through the application deadlines and give answers to the most commonly asked questions.

The Educational Access Scheme (EAS) is for students who have experienced long-term disadvantage(s) and may help with entrance into university. We'll give you an overview of EAS and discuss:

- categories of disadvantage
- how to apply
- application documentation
- EAS key dates
- application tips.

### **Reminder - University of Notre Dame Early Entry Young Achievers Applications**

Closes 10 October

Notre Dame is thinking of Sydney Year 12 students as they prepare for their final exams and has extended the NSW closing date of our Early Offer Program to 10 October 2021 in recognition of the current disruption that COVID-19 has generated. We understand the current Year 12 cohort in Sydney is facing extremely challenging circumstances and this unpredictability can be an additional source of stress, particularly in these uncertain times.

### **UNSW Gateway Entry Scheme Yr 11 Spring Program**

6 - 23 September 2021

**NOTE: Registrations are now open and close 27 August 2021**

In this free digital program, you will participate in interactive faculty experiences that showcase the range of degrees and what it's really like to be a student at UNSW. The program also includes academic skills workshops, so that you can get prepared to ace your HSC.

<https://www.futurestudents.unsw.edu.au/unsw-gateway-spring-program>

### **UNSW Elite Athletes, Performers and Leaders Program 2022 application is now open.**

Closes 30 November 2021

The Elite Athletes, Performers and Leaders (EAPL) Program supports students with a flexible entry process that considers both academic and elite achievements and recognises these by awarding adjustment factors.

Students can be considered for EAPL points for undergraduate study at UNSW. The EAPL Program awards up to five points to high school leavers who have excelled in areas of sport, academia, leadership, and/or music at an elite level. Activities and/or commitments must have been undertaken in years 11 and/or 12.

Note: An overall maximum of 12 points can be awarded across all the university's schemes (HSC Plus, EAPL and EAS). Students must submit an application and provide supporting documentation by November 30 each year to be considered for adjustment factors.

For further information on the process, including the current EAPL Adjustment factor table, please download the Elite Athletes, Performers and Leaders Adjustment Factor Program Guide.

### **UNSW Faculty of Engineering Admission Scheme**

We know that things don't always go to plan, and we recognise that your passion for Engineering and your performance in relevant subjects may not be reflected in your ATAR. We are pleased to offer you the Faculty of Engineering Admissions Scheme (FEAS) to give you the opportunity to demonstrate your passion for engineering and performance in relevant subjects to support your ATAR.

FEAS is an alternative pathway for students who want to study at UNSW but don't meet the required selection rank for their chosen program. You should apply for the Faculty of Engineering Admissions Scheme if you're expecting an ATAR between 83.00 and 90.00 and want to study at UNSW. FEAS

applies to most UNSW Engineering undergraduate programs, including our double degrees with a 2021 Lowest Selection Rank of 90.

### **University of Sydney Academic Excellence Scheme in English and Maths**

The Academic Excellence Scheme recognises high performance in English and mathematics by applying adjustment factors to boost your selection rank.

Depending on the course you have applied for and whether you achieved a Band 5 or 6 (or equivalent) in high-level English or mathematics, you can have an adjustment of up to five points added to your ATAR or equivalent IB score, to raise your [selection rank](#) for an eligible course.

If your ATAR or equivalent IB score is up to five points below the entry requirement for your course of choice, through excellence in English or mathematics you can potentially still gain entry to that course.

### **University of Wollongong Year 12 Summer Master Class 2022**

Our 3-week Year 12 Summer Master Class program allows you to complete a university subject and secure at minimum an early admission interview to kick start your higher education journey. \$460. [Scholarship opportunities](#) are available.

Students who successfully pass their Summer Master Class subject will at minimum be guaranteed an Early Admission Interview to the university degrees that align with the Summer Master Class subject they complete.

Credit towards a UOW degree that could make you eligible to skip a whole subject when you study at UOW.

Due to COVID-19, the 2022 Summer Master Classes will use a blended delivery model incorporating self-directed online learning, staff-led online classes and on-campus classes.\*

Students must achieve 80% attendance of timetabled classes and program activities between 3-21 January, 2022.

Students must also attend an on-campus Orientation day on 7 December, 2021.

### **VET Pathways to Griffith University**

The VET Guarantee gives you certainty that your qualification provides admission to a range of Griffith degrees.

To find out which degree your completed AQF Certificate III, IV or a diploma provides admission to, see [guaranteed admission](#). These degrees are also identifiable on our [Griffith Degree Finder](#) by the VET guarantee badge.

Applicants must still meet the English subject prerequisites for admission as well as any other admission requirements. If you have completed one of these qualifications, you do not need to apply separately for this. Simply provide details of your qualification in your QTAC or UAC application.

<https://www.griffith.edu.au/apply/admission-pathways/vet-pathways-to-griffith>

***"I want to look back on my career and be proud of the work, and be proud that I tried everything." —Jon Stewart***

### **Macquarie University Catchment 5 Adjustment Factors**

If you qualify for adjustment factors, they are added to your selection rank and may improve your chances of receiving an offer for your preferred degree. Macquarie offers five additional adjustment factors to students who live in Macquarie's catchment region. These are called catchment adjustment factors.

You're currently completing the Year 12 Higher School Certificate (HSC) or equivalent in the year prior to your intended year of admission to Macquarie.

You're a non-school applicant (HSC or equivalent completed more than two years ago or over 21 years of age) and haven't previously completed tertiary study.

Use the tool below to check if your postcode qualifies. If you qualify, you will automatically receive five adjustment factors when you have a Macquarie course listed as one of your preferences through UAC.

PLEASE NOTE: If you qualify for both the Catchment Adjustment Factors and the Regional Entry Scheme, you will only receive adjustment factors once, from whichever scheme awards you the highest amount.

### **Conservation Volunteers Australia**

You want to make a difference to the environment? Look here and explore. So many options!

Conservation Volunteers makes it easy for people to care for nature by volunteering on one of our many conservation projects across the country. Volunteers come from a wide range of backgrounds and no prior skills or experience are required, and volunteer projects are available to suit your availability and particular interests.

Together we can make a positive difference to conservation of nature upon which all life is interconnected.

<https://conservationvolunteers.com.au/>

### **Get Involved in Volunteer Projects**

People like you who care enough to make a difference - join us on exciting projects which span everything from ocean litter to bushfire resilience, and citizen science to climate change.

We exist to strengthen the health of communities and ecosystems for mutual benefit, across Australia. Through our work, we're building a more harmonious and helpful relationship between people and nature.

People tell us that they want to play their part to re-balance nature, but they don't know where to start. So, for almost 40 years we've been working to give people that opportunity through hands on volunteering. Now, we're growing our work to empower anyone across Australia to take action for nature through practical activities.

**Vinnie's Youth Join us!**

Let us know what you're interested in, and where you're from, and we'll be in touch! If you're not too sure yet, that's okay, we'll talk you through it. You'll then complete an Application form, informal Interview, Backgrounds Checks and the training modules you'll need for your volunteer work. By submitting this form you are agreeing to a representative of Vinnies contacting you.

We're always on the lookout for passionate people to add to our amazing volunteer crew. Not only would you be joining an awesome collective of over 10,000 volunteers state-wide, but by volunteering with us you'll be growing the next generation of social justice advocates, and helping those in our community who need it most.

Volunteering with Vinnies offers you a wide variety of opportunities to get involved and provides great scope for personal and professional development. Read about these opportunities below and then select the programs you're interested in when you complete our Volunteer Now form.
