Permission Form To Attend ISCF Group

What is ISCF?

ISCF is an inclusive group where high school students can learn more about Christianity in a fun, friendly and informal setting. The beliefs and viewpoints of all students are respected and they can explore their questions about God, faith and the Bible. Students are given opportunities to build positive relationships, develop their leadership skills and serve in their school community. Groups usually run during lunchtime once per week.

Scripture Union NSW has been involved in schools since 1935, and is a coordinator of Christian Voluntary Lunchtime groups in NSW public schools.
