

## Education

Dear Parent/Carer,

I would like to introduce you to our Student Services Team at Canterbury Girls High School. The team consists of:

**HT Welfare** - Ms Stacey Naisbett

**Careers Adviser** - Mrs Rita Evangelista

**EALD Teacher** - Mrs Laura O'Donnell

**Learning and Support** - Ms Leila Bianca

**School Counsellors** - Mrs Betty Wong and Ms Josephine Rynsaardt

**School Learning Support Officers** - Ms Caitlyn Joseph & Mrs Eliza Vamvoukakis

**Student Support Officer** - Ms Brooke Morley

**Teacher Librarian** - Mr Liam Diviney

The Student Services team works collaboratively to build and support students' wellbeing and learning needs. They are able to do this through the development of collaborative partnerships with parents, carers, other professionals and the wider community.

There are a number of wellbeing activities and presentations organised throughout the 4 terms for years 7-12.

There is a once-off annual fee of \$20 per student to cover this program. We request that this payment is made either online or at Office A, at your earliest convenience.

If you would like to discuss your child's additional needs, any new diagnosis or the wellbeing program please contact either the relevant staff member or myself on [stacey.naisbett@det.nsw.edu.au](mailto:stacey.naisbett@det.nsw.edu.au)

Kind Regards,

.....
