

Dear Parent/Caregiver,

In 2025, Year 8 will be undertaking an elective subject as part of their curriculum. This elective subject will be studied for two periods per week throughout the year.

At present, Year 7 students are being asked to choose one subject from the following electives for study in 2025:

- Chinese
- Dance
- Drama
- MasterChef
- Music
- Visual Arts

Please note that Year 8 2025 will study Music and Visual Arts as part of their core curriculum; choosing these subjects as an elective will enable a deeper study of these subjects to be undertaken.

Students will be asked to choose an elective online in Term 3, print the sheet and hand in to Ms K. Burgess. I would ask that you please sign this sheet in the parent signature space provided.

Please contact me by telephone on 9718 1805 if you would like to discuss this issue.

Yours sincerely,

J Delmas
Relieving Deputy Principal
